CAHOON MUSEUM'S BRUSH OFF ART AUCTION

Major fundraiser to support the Museum's educational mission

Online Auction: June 25 – July 9, 2022

Open House: July 9, 10am – 4pm, Free Admission

Cahoon Museum's Brush Off Art Auction features over 125 artworks by talented local and regional artists. Bid on art, at all price points, at this online fundraising event in support of the Museum's exhibitions and educational programs and local artists. Preview artworks at the museum beginning June 25 and start bidding – and don't miss our Summer Open House on July 9, a final chance to see the art before the auction closes. Keep an eye out around Cotuit as *plein-air* artists will be setting up their easels, canvas, and paint to capture scenic locations around the village – then offering the art up for bid. Whether you are a long-time supporter, aspiring collector, or curious about this dynamic fundraiser, come celebrate the arts with the Cahoon Museum.
